

PRODUCT INFORMATION

4 Piece Trim Remover Set

Part # RT6777

FEATURES

For interior disassembly work without damaging clips, panels, or painted surfaces. Each tool is shaped for specific trim and fastener types to support controlled separation of door panels, upholstery, and interior components. The set allows consistent access to interior fittings during electrical, trim, and repair work.

SPECIFICATIONS

- Clip remover, upholstery tool, door upholstery tool, door handle and window tool types
- Non-marring rounded profiles edge design
