

PRODUCT INFORMATION

46 Piece 3/8" & 1/2" Imperial Impact Socket Set Tray

Part # RTDL34T46KAF

FEATURES

Imperial impact socket set for servicing North American and classic vehicles using impact tools in workshop environments. It includes both standard and deep sockets across 3/8" & 1/2" drives, covering a wide range of imperial fastener sizes. The chrome molybdenum construction and impact-rated finish support high-torque use with pneumatic tools.
